### ***GlobalHealth Asia Out-Patient Direct Billing Network Introduction and Terms of Use***

GlobalHealth Asia's Out-Patient Direct Billing Network is designed to provide our members with a service that makes out-patient claims quick and convenient.

When members with a valid GlobalHealth Asia Member Card use clinics within this network, GlobalHealth Asia will settle the medical expenses incurred directly with the medical provider.  
**Only members with zero deductible and out-patient benefits can use direct billing services.**

Use of this list is governed by your Policy's Terms and Conditions and is also subject to the guidelines, exclusions and remarks listed below.

---

#### **Reminder**

Members with out-patient benefits should have access to this service, however, if you have not used our Out-Patient Direct Billing Network before, or have any problems using the Network, please call us at +852 2526 0505 (Hong Kong) or +65 6557 0896 (Singapore) or email your questions to [globahealth@globalhealthasia.com](mailto:globahealth@globalhealthasia.com)

#### **In-patient Direct Billing**

Remember that for In-patient treatment, GlobalHealth Asia can directly pay any hospital around the world if the proper notification and documentation are provided. If you want GlobalHealth Asia to arrange direct Billing for In-patient services, please inform your Hospital and make sure GlobalHealth Asia are alerted as soon as possible.

#### **Maternity and Dental**

Direct billing for out-patient Maternity and Dental benefits may also be arranged within our network, but only with ONE PROVIDER per policy year (per pregnancy) in order to keep track of applicable sub-limits. Once you have decided upon your sole provider within the Network, please inform GlobalHealth Asia and we will then provide a Letter of Authorization with a benefits balance for you to present to the clinic for record keeping.
