

GlobalHealth Asia Out-Patient Direct Billing Network Introduction and Terms of Use

GlobalHealth Asia's Out-Patient Direct Billing Network is designed to provide our members with a service that makes out-patient claims quick and convenient.

When members with a valid GlobalHealth Asia Member Card use clinics within this network, GlobalHealth Asia will settle the medical expenses incurred directly with the medical provider.

Use of this list is governed by your Policy's Terms and Conditions and is also subject to the guidelines, exclusions and remarks listed below.

Reminder

Members with out-patient benefits should have access to this service, however, if you have not used our Out-Patient Direct Billing Network before, or have any problems using the Network, please call us at +852 2526 0505 or email your questions to gloahealthuniversal@globalhealthasia.com

Remember that for In-patient treatment, GlobalHealth Asia can directly pay any hospital around the world if the proper notification and documentation are provided. If you want GlobalHealth Asia to arrange direct Billing for In-patient services, please inform your Hospital and make sure GlobalHealth Asia are alerted as soon as possible.

Emergencies

If you have an accident or emergency and urgently need GlobalHealth Asia to guarantee your expenses, have someone call our trusted partner, AA International, at +603 7628 3880 or +603 7841 5770.
